

# THE BIG & EASY BOTTLE BREW

The Big & Easy Bottle Brewing Company Inc.  
Distributed Exclusively by R.J. Spagnols

A revolutionary, easy way to make your own premium beer at home!

The Big & Easy Bottle Brew is pasteurized, unfermented beer filled in 2 litre bottles and equipped with a unique pressure cap. The only task left is to add the innovative yeast capsule to each bottle to start the fermentation. Wait 10 days. Chill. Then serve!

Each 2 litre bottle is about the same volume as 6 regular beer bottles. The Big & Easy Bottle Brew is professionally brewed and bottled in a micro brewery using only the best selected barley malt, imported hops and purified water. It is NOT made from malt concentrate.

**The Big and Easy Bottle Brew rivals any premium commercial beer in taste and quality:**

- Perfect beer every time
- No equipment or brewing knowledge required
- No cleaning, mixing or transferring
- No need to clean bottles after consumption – bottles go right into the recycling box
- Fast and easy to do
- Great savings over commercial beer

**The Big & Easy Bottle Brew is a 'one of a kind' product that allows beer drinkers to experience beer making in your own home! Your family & friends will be impressed!**

The Big & Easy Bottle Brew comes in 3 popular styles:
